Auctioneer: Kyle Gilchrist

Alabama Auctioneer License #1206

Trucking: Can be arranged through Bill Braddock at (205) 275-2651 or the sale manager. We will help coordinate prorated loads to keep the cost as minimal as possible.

Health Certificates: Interstate health certificates will be furnished on each animal sold. Special details in regards to the foreign exportation of cattle may be arranged through the sale manager.

Welcome to the 27th SERAA Grasstime Auction

Spring is on the way and with it comes green grass, baby calves and the SERAA Grasstime Auction. I am excited about this year's assembly of cattle and think it has something to offer everyone. As the Red Angus breed grows and gains market share within the beef industry, there are certainly more opportunities to find some great Red Angus cattle across the country than ever before. I would challenge you to focus on your region where cattle have been developed and are already acclimated to the unique forages and weather conditions that exist in the Southeast. Some of the Red Angus breed's best genetics thrive in the southeastern part of the United States and this offering will be a testament to that.

With the growth in the Red Angus breed, comes an increase in demands for top genetics and this year's Grasstime Auction allows you to buy some building blocks for your future Red Angus herd. The wave of interest in RED cattle continues to sweep the nation with many southern herds converting to reds for added heat tolerance with the superior traits of Angus cattle. The need for more Red Angus herds that are developed in the south will continue to grow in the next several years. If you have grass and the ability to raise cattle, the opportunities right now are huge to build a profitable Red Angus program.

This year I will be in Kansas prior to the Grasstime Auction and will be flying into Huntsville late Thursday night. I will be looking at cattle early Friday April 6th and will be glad to assist you in your selections if you cannot attend. Please call early so I can be ready to look and assist you to the best of my ability. DVAuction will also be available this year to bid and buy online. Trucking can be arranged anywhere in the country and Bill Braddock or I will be glad to assist you with your needs.

If you can attend, please join the Southeast Red Angus group at the Pre-sale Banquet on Friday evening at the Top of the Town Restaurant in Cullman. This is one of the largest Red Angus events in the country and offer you the chance to mingle with fellow Red Angus breeders to share ideas and thoughts on the future of this great breed.

I look forward to seeing you in Cullman, Alabama on April 6th and 7th .

Best Regards,

Kyle Gilchrist

Here's a cow out of a Lodi Prince son and Major League daughter who just so happened to top the cow/calf pairs in the 2015 SERRA sale at \$6700. She's an upcoming 5 year old who sells with a September Trotter's Stronghold 156 bull calf (#3824177) by her side. Take her home, turn her out front and let her make you proud. Use the bull to improve your herd. She was pasture exposed to BFRA Cinch 1618 (#3616784) from 11/25/17 until 1/20/18. Firm pregnancy details will be provided the day of sale.

This pair should get your attention. Here's a 4 year old Red Fine Line Mulberry 26P daughter out of a cow straight out of Damar's donor pen. She sells with a November heifer calf (#3824125) by her side who gives you three things- Phenotype, Genotype and Show Heifer potential. The heifer is out of a young bull (Hamley x Majestic Lightning #3514024) who we have used and whose calves hit the ground with the right qualities we are all looking for as cattleman. She was pasture exposed to BFRA Cinch 1618 (#3616784) from 11/25/17 until 1/20/18. Firm pregnancy details will be provided the day of sale.

 Here's a great 3 in 1 package. We have a very good, easy fleshing cow out of a Lodi Prince son and probably the best Six Mile Sasic 832S daughter we have ever raised. But there's more...she sells with a November heifer calf (#3824087) who from our point of view has a tremendous upside as a show heifer with her whole life ahead of her. The heifer is out of a young bull (Hamley x Majestic Lightning #3514024) we have used and whose calves hit the ground with the right qualities we are all looking for as cattleman. She was pasture exposed to BFRA Cinch 1618 (#3616784) from 11/25/17 until 1/20/18. Firm pregnancy details will be provided the day of sale.

Consignor: Bell Farms Red Angus / Tom Bell II

 We hate to cut this pair loose. She's a very good Lodi Prince daughter out of one of our donor cows. She is a cow that you want in your front pasture for years to come. She sells with a September bull calf (#3824093) that has the potential has a herd sire. She was pasture exposed to BFRA Cinch 1618 (#3616784) from 11/25/17 until 1/20/18. Firm pregnancy details will be provided the day of sale.

My wife told me we can't keep them all if we want to keep this operation going. Here is a 5 year cow old out of the great McMurphy Farms herd in Alva, OK that has beat all expectations since she arrived here. She was a division winner at the Dixie National Livestock Show in 2015 and has now had four calves since. She turns five in May! She sells open with a February bull calf (#3845663). Take them home, turn them out front and improve upon your herd.

Consignor: Bull Hill Ranch / Jim & Alvina Meeks, Owner / Raymond Prescott, Manager Gray Court, SC / Raymond: 864-981-2080 / bullhill2@prtncet.com

This outstanding, dark red "Red Rock" daughter has maintained a 107.2 MPPA in our herd, and two of her daughters are writing their own chapters at the ranch. She boasts outstanding EPDs for weaning and yearling growth as well as milk and carcass traits. Combine all that with her correct udder shape and foot structure and add her promising heifer calf, born on Valentine's Day, and you have all the boxes checked for future success.

Sells with heifer calf: Bull Hill Alexis 7354:MEEK, Reg. # pending. Birth date: 02/14/18, Birth Wt. 86 lbs., Sire: RRA Soldier 582, Reg. #1743372, (Red SSS Soldier 365W x DFRA Tarmily N512), Parental Estimate EPDs: HB 71, GM 49, CED 0, BW 1.1, WW 62, YW 95, M 20 ME 1, HPG 8, CEM 1, STAY 8, MARB .26, YG -.02, YG 29, REA .19, BF -.01. This calf's sire is the product of an ET mating of SSS Soldier365W, who sired past National Champion bull, Lazy MC Trooper, with DFRA Tarmily N512, the cornerstone female for the Damar Farms program in WI.

LCJ Jiba 1403 is a beautiful young cow that has raised a beautiful heifer calf that will replace her in the herd. The sire of this cow, GNRA Storm 609, is a Rambo 502 son, and the dam is LCJ Jiba 0604 who is sired by LSF Next Page 3126N, making this cow have great bloodlines throughout her pedigree. If you need a young, front pasture cow with good EPDs, then look no further. Check her out on sale day and I think you will agree with me. Bred to PRESNELL MR REVOLUTION C143 for a spring calf.

Blockana 1406 is a long, medium red cow with what it takes to make a great cow in any herd. Sired by JKC Rojo 37X, a top Huckleberry 701 son we purchased from JC Cattle in Kansas. This herd bull was a cow maker and a top producer for us. The dam, LCJ Blockana 0704, is a Perks Advancer 9088 daughter with a pedigree second to none. This young cow was bred for greatness. A good pedigree and a long life ahead of her should make a stand out cow for someone starting a new herd or an existing one. Check her out on sale day and you will agree. Bred to PRESNELL MR REVOLUTION C143 for a spring calf.

Bremen, KY / 270-977-1538 / davidandsandra65@bellsouth.net

Mis Focus 1603 is a very well made, young heifer that is medium red in color and long bodied. Sired by Majestic Cowboy Way A34, a top Red Lazy MC Cowboy Cut 26U son. On the dam side WCS Miss Focus 026 has nothing but one solid pedigree. I planned to keep this heifer in the herd and breed her this spring but numbers dictated otherwise. This heifer sells open to breed your way. She will make a fine addition to a registered or commercial herd.

Miss Fortune 1604 is an exceptional, well-made heifer with alot of depth and eye appeal. Medium red in color and with what it takes to make a fine heifer for any herd that is just getting started or an existing one. Sired by Majestic Cowboy Way A34, a Cowboy Cut 26U son. The dam, LCJ Miss Fortune 9054, is a top producer here at the farm and her daughter should do the same for you. Check out her pedigree – it's solid from top to bottom. I wanted to keep her, but I can't keep them all. Sells open for you to breed to the bull of your choice.

Bremen, KY / 270-977-1538 / davidandsandra65@bellsouth.net
 LCJ Miss Focus 1605 is a medium red heifer with length, depth of body and a lot of eye appeal. Front pasture type sired by Majestic Cowboy Way A34. The dam, Miss Focus 025, has a solid pedigree that runs with the best of them. This would be a great heifer to start up a herd with or to add to an existing one. Check her out and I think you will like what she as to offer. Sells open for you to breed your way.

Consignor: Jarvis Red Angus / Hershel David Jarvis
Bremen, KY / 270-977-1538 / davidandsandra65@bellsouth.net
 LCJ Copper Lass 1701 is a medium red heifer that is long, deep and comes with alot of eye appeal. Sired by ENGD Game Plan 5506C, a top son of VGW Game Plan 816 and an up and coming young star in the Red Angus breed. On the dam side, LCJ Copperlass 1407, has a pedigree second to none. The pairing of these two pedigrees should make this one fine heifer to add to your herd. Check her out and you will agree with me that this is a front pasture female!

 LCJ Tam 1706 is a dark colored heifer with alot to offer. She is long, deep and has all the makings of a future great cow. Sired by Majestic Rambo C109, a son of the legendary VDAR Rambo 323 from the VonForrel Ranch in Wyoming. The dam of this heifer is a Perks Advancer 9088 daughter out of a Larson Bonanza 926 dam. She has been a donor cow here at Jarvis Red Angus and has produced many top selling cattle for us. This heifer is young and out of some of the old pedigrees of the Red Angus breed, making her a solid investment for anyone!

Consignor: Kelton Farms / Herbert C. Kelton
Leoma, TN / H: 931-852-4592 C: 931-244-0376 / hk7582@hotmail.com
 A.I. bred on 1/17/2018 to MLK CRK EPIC 8171 (#1238940). These heifers from Kelton Farms are out of Herbert's best cows and the sire is one of the best natured bulls you will ever find. They will all make great cows!

 A.I. bred on 1/17/2018 to MLK CRK EPIC 8171 (#1238940). Lots 56 and 57 are 3/4 sisters with both of their dams coming from the Whitley herd and sired by the legendary female producer – HW Milky Way 2756! If you are in search of solid producing cows that will be a constant in your program, buy these Kelton bred heifers and put them to work in your operation. Past buyers can attest that you will not be disappointed.

Consignor: Kelton Farms / Herbert C. Kelton
Leoma, TN / H: 931-852-4592 C: 931-244-0376 / hk7582@hotmail.com
 A.I. bred on 1/17/2018 to MLK CRK EPIC 8171 (#1238940). These Kelton bred heifers are solid, sound, productive females that will go on to make great cows for their future owners. Herbert always brings some of his very best to Cullman for the SERAA Grasstime Auction and this year looks to be no exception. Help yourself to some great Red Angus females to start your herd or add to an existing one.

Walhalla, SC / 864-723-0749 / lcantrell618@gmail.com

We bought the dam of this heifer a couple years ago from RA Brown. She has made a great addition to our donor lineup. She was carrying Abby when we brought her home. I think the bottom side of this heifer's pedigree speaks for itself. Her sire, Sleep Easy, is a bull that Donnell is using in his herd. I noticed he thought enough of him to use him on females he's selling this year. To top it off Abby is bred to 5L Independence 560-298Y (#1450309) and scheduled to calf 7/2. Great heifer, royal Pedigree, powerful EPD set and bred to great bull. She has it all! Calf's expected EPDs: HB 173, GM 54, CED 13, BW -4.8, WW 63, YW 107, Milk 24, ME 0, HPG 13, Stay 12, Marb 0.70, YG 0.00, CW 27, REA 0.14, Fat -0.01

Check out this Andras Thunder 2082 daughter out of a Basin Hobo 79E cow from the great Bull Hill program. I expect her to produce very growthy calves and add a dose of carcass quality, too. Her dam, although one of the most moderate cows in the herd, always brings in a good calf and MS Bertha 248D was no exception with a 113 weaning ratio. She is AI bred to Andras Fusion R236 (#1506931) on 1/6/2018 and checked AI bred on 2/13/2018. She is pasture exposed to Osborn Sensation 206D (#3627349) a Brown AA Sensational B5147 son from 1/15/2018.

Osborn MS Sal 211D is a very correctly made daughter of our herd sire Andras Black Genes B004. Coming from the "Sal" cow family, her dam carries a 102.47 MPPA, she will have loads of capacity, fertility and production power. She came in at weaning with a 106 ratio. Count on her to produce calves that have loads of growth with the thickness and depth of body that makes for exceptional animals. She is AI bred to Andras Fusion R236 (#1506931) on 1/6/2018 and checked AI bred on 2/13/2018. She has been pasture exposed to Osborn Sensation 206D (#3627349) a Brown AA Sensational B5147 son from 1/15/2018.

Newbern, TN / H: 731-627-2735, C: 731-676-3133 / timjorr@bellsouth.net

This 14 month old open RA heifer is a carcass queen. She will be a big time bull producer for sure. Power with correct structure, she comes from a Blockana dam we purchased from Chuck Feddes several years ago. We kept all of her dam's daughters except this one here. E41 sells guaranteed open and ready for breeding season. Her dam is still producing for us. Out of the phenomenal Declaration bull, she will produce for anybody's program. She has had her pre-breeding shots and is ready to go. Check our Facebook page for current videos.

Consignor: Ty-Be Farms / Tim Orr

Newbern, TN / H: 731-627-2735, C: 731-676-3133 / timjorr@bellsouth.net

This old school mating cow is in the prime of her life. Big time Herdbuilder EPD, she is a maternal producer to the max. Brittney has been a consistent producer for us and she sells confirmed bred to MNS Red Hot 5750, our tremendous Code Red herdsire out of the Shuey program. A heifer calf would be a herdkeeper for sure. Due for a fall calf, all she needs is some grass. PE 01/03/2018 to 03/18/2018.

This fancy New Direction heifer is the result of some embryos we bought in the Bet on Red Sale. We were really impressed with her dam who is from the Blockana Cow Family and boasts a 107.35 MPPA that was built in the very maternal CT Red Angus herd. We feel this heifer has almost unlimited potential. Breeding information available sale day.

Consignor: Whitley Red Angus / Tim Whitley

Horton, AL / 205-446-5090 / tm_whitley@yahoo.com

This open AI sired heifer is really extremely well balanced and has great appearance. She is ranked in top 20% or better in the following EPDs: Herdbuilder, Gridmaster, Birth Weight, Weaning Weight, Yearling Weight, Heifer pregnancy, and Calving Ease Maternal. Her sire is the \$18,500 Impeccable 3150A, the best son of the \$28,000.00 Saga 140Y. The maternal grand dam had 12 calves in 14 years so longevity is built in with this heifer. The Zara cow family has had at work for the Whitley's for over 20 years. Be sure to add this heifer to your list to check on at this sale.

There is a lot to like about this well made and structurally sound herdsire prospect. He will be a great source of pride to his new owner when the neighbors ride by and see him in your pasture. 4710's dam is a long bodied, very sound and productive member of the Blockana Cow Family. If 4710's heifers are like his dam you will want to keep them all. 4710 boasts a very nice set of EPDs including Top 12% Marb, Top 14% Gridmaster, and Top 24% YW. Make sure and check this bull out on sale day.

Opportunity is one of the extreme top growth bulls of the breed, ranking in the top 1% for WW & YW with an 83% accuracy! He sold in the 2015 NWSS Mile High Classic Sale for \$55,000.00 to Hugh Atkin & Brylor Ranch of Canada where he proved to be a "SUPER STUD" breeding hundreds of cows naturally. Buy this semen to add style and performance to your program.

Commercial Cow/Calf Pair

Consignor: Bell Farms Red Angus / Tom Bell II

Friendship, TN / 731-225-2490 / tombell2@bellsouth.net

Here's a very good upcoming five year old cow out of a great cow family. She's moderate and easy fleshing. She sells with a young February bull calf (#38465350) by her side. She sells open.

88-91

Commercial Bred Heifers

Consignor: Robards Red Angus / James Robards

Eastview, KY / 502-639-3421 / robards1@hughes.net

Selling four (4) unregistered Red Angus heifers. All are bred to Beckton New Era C539 and projected to calve in early August. One heifer is an A.I. daughter of Bieber Makin Hay.

92-94

Commercial Open Heifers

Consignor: Ty-Be Farms / Tim Orr

Newbern, TN / H: 731-627-2735, C: 731-676-3133 / timjorr@bellsouth.net

These three 15 month old heifers (tattoos E200, E201 and E202) are all 100% Red Angus. Big and stout, they have been cycling consistently and are ready to head into breeding season. These super fine females prove what all the excitement is about in the Red Revolution. They have had their pre-breeding shots and are ready to become big time producers. Check our Facebook page for current videos.

Sale Terms and Conditions:

TERMS: Terms of the sale are cash, check, or other terms agreed to in writing between seller, buyer, and sale manager payable immediately upon conclusion of the sale before animals will be moved. Sale Manager reserves the right to require a certified check as settlement before releasing any cattle.

PURCHASER'S RISK: All animals are the owner's risk prior to their sale and become property of the purchaser as soon as declared sold by the auctioneer.

BIDDING: Any disputes or challenges regarding bids or tie bids will be settled by the auctioneer and his decision will be final.

CERTIFICATE OF REGISTRY: A certificate of registry for each animal will be transferred to the buyer at the seller's expense.

ANNOUNCEMENTS: Any errors or changes in information contained in the catalog will be announced from the block and such announcements shall take precedence over the information contained herein.

HEALTH: All animals are eligible for interstate shipment. Interstate health papers prepared by an accredited veterinarian will be furnished on each animal sold. Arrangements for international shipment should be made with the sale manager prior to the auction. All efforts for the exportation of cattle can be arranged through the sale manager.

BREEDING GUARANTEE: All animals are guaranteed by the seller as outlined in the Red Angus Association of America Code of Ethical Sale Practices.

LIABILITIES: All persons who attend the sale do so at their own risk. The seller, auction facility, and sale manager assume no liability for any accidents that may occur. Neither does the seller, auction facility, or sale manager assume liability for the loss or injury to livestock due to theft, mysterious disappearance, sickness, improper handling or Act of God. It is to be clearly understood that the sale manager and its representatives act only as a medium between the buyer and the seller. They are not responsible in any way for the failure on the part of the buyer and seller to live up to their obligations or for the truth of any warranties or representation, express or implied. Neither does the sale manager assume any financial obligations to collect or enforce collection of monies between parties. Any legal action, that may in exceptional cases be taken, must be between the buyer and the seller. This catalog has been prepared by the Sale Manager from pedigrees and information supplied by sources deemed reliable, however, the Sale Manager will in no way guarantee the pedigree, percentages of the animals selling, or data included in this catalog. Any exceptions taken are between the buyer and the seller.

CONTRACT: The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal and shall be equally binding upon both. Each sale or resale of an animal constitutes a separate transaction.

PHONE BIDS: Telephone bids will be taken by the sale manager. Kyle Gilchrist's cell number is (641) 919-1077.

RED RIGHT. NOW.

An independent university study compared six years of Superior Livestock Auction data, revealing Red Angus-sired heifers commanded from \$5 to \$9/cwt. more than females of all other breed types.

Learn more about the value of Red Angus-sired replacement females at redangus.org.

The Red Angus female is the rancher favorite for replacements that deliver real profitability.
